Parent Governor Vacancy

Dear Parents and Carers,

We currently have a vacancy for Parent Governors on our Governing Board and warmly invite parents and carers to put themselves forward for this important role.

Being a Parent Governor is a rewarding way to:

- Support your child's school by helping shape its future direction.
- Represent the views of parents and strengthen the link between home and school.
- Gain valuable experience in strategic leadership, education, and governance.
- Work as part of a dedicated team committed to ensuring the very best outcomes for all pupils at Seaview.

You don't need specialist knowledge or experience to apply – just enthusiasm, commitment, and a genuine interest in our school's success. Training and support will be provided.

What do Governors do?

Governors play a key role in setting the school's vision and values, overseeing the school's performance, and ensuring resources are used effectively. They do not manage the day-to-day running of the school but act as a "critical friend" to the Headteacher and leadership team.

How to Apply

If you would like to nominate yourself, please contact the school to express your interest by **Friday 22nd May**. If more nominations are received than there are vacancies, a ballot of governors will take place.

This is an exciting opportunity to make a real difference to our school community. We hope you will consider applying and helping Seaview continue to be a place where every child can "Do more, Know more, Be more."

Thank you for your support.

Yours sincerely,

Mr. Paul Gingell
Headteacher

Empowering children to shape their future
