Exciting News!

Dear Parents and Families,

I am delighted to share some wonderful news and to offer my heartfelt thanks to our amazing children and their families for their fantastic efforts in this year's Summer Run and Colour Run fundraising events.

Thanks to your enthusiasm, generosity and community spirit, together you have raised a truly staggering **£4,571.15**. This is an incredible achievement and one that reflects the strong partnership we have between home and school. Please pass on our congratulations to all of the children who took part and contributed to making the events such a success.

Most importantly, every penny raised will be used to directly improve the children's experience at school. I am pleased to announce that the funds raised will be used to install a new basket swing, providing another exciting and inclusive play opportunity for children to enjoy during break and lunchtime.

Inspired by the incredible generosity shown by our school community, the school will also be making a substantial investment in our outdoor provision. Alongside the new basket swing funded through your fundraising efforts, we will be installing:

- Three additional basket swings
- A large climbing frame
- A brand-new play tower
- New fencing and goals around the MUGA (Multi-Use Games Area)

Empowering children to shape their future

Empowering children to shape their future

These exciting improvements will significantly enhance outdoor play and physical activity opportunities for our children. Installation is scheduled to take place during October, and we look forward to sharing updates as the work progresses.

There is even more exciting news. Over the summer holiday period, we have a number of major improvement projects taking place across the school, including:

- A fully renovated Early Years outdoor area
- A new entrance and toilet facilities for our Seaview Starters two-year-old provision
- Upgrades to internal doors and toilet facilities
- A refreshed and modernised main school office

These investments demonstrate our ongoing commitment to providing the very best learning environment for all of our children, both indoors and outdoors.

Empowering children to shape their future

Thank you once again for your continued support, generosity and commitment to our school community. The difference you make is extraordinary, and the benefits of your fundraising efforts will be enjoyed by children for many years to come.

Yours sincerely,

Mr. Paul Gingell

Headteacher
