**Do
Know
Be** **MORE**

Dear Parent/Carer,

We are delighted to invite all Year 4 parents and carers into school for a tea and coffee afternoon to share more about what your child will be learning in maths this year – with a particular focus on times tables.

As part of their learning journey, Year 4 pupils will take the **Multiplication Tables Check (MTC)** at the end of the academic year. This statutory online assessment checks children's recall of multiplication facts up to 12×12 .

This session will be a great opportunity to:

- Find out more about the MTC and how it works.
- See how times tables are taught and practised across school.
- Gain ideas for supporting your child at home.

Following the short information session, our Year 4 pupils will join us to take part in a fun activity designed to help them memorise a new times table – and you'll be able to watch them in action!

Last year's meetings were a real success, and we hope many of you will be able to attend again this year. Refreshments will be provided, including tea, coffee, soft drinks, biscuits, cakes and savoury treats.

Date	Time	Audience	Topic	Delivered by
Tuesday 7 th October	1:45pm to 3:15pm	Year 4	Times tables	Mr. Fletcher, Maths Lead

Please enter school via the Nursery entrance near the KS1 hall. If you have any questions, feel free to contact the school office.

We look forward to welcoming you.

Kind regards,
John Fletcher
Assistant Headteacher
